MONDAY EVENING, JUNE 30.

CHASED HIS MAN INTO THE RIVER .- OSE of the branches of the defunct Bank of America, of Philadelphia, was at Gloucester, and Edwin F. Work, the son of George Work, was the president. On Saturday the expresident visited Gloucester with some friends in a private yacht and entered the barroom of a hotel. The hotel proprietor, a man named Foster, who had lost \$5 000 by the failure, immediately assaulted him, and after knocking bim down chased him down the beach and into the Delaware. Work swam out to the steamboat pier, and had just managed to clamber out when he saw the irate hotel-keeper after him again. He again plunged into the stream and managed to reach the rawlboat of the yacht, which had put out to his assistance. Foster was the hero of the afternoon in Gioucester, many of whose poor people have lost heavily by the failure of the bank.

AN IRON BAR WENT THROUGH HIM .-George Gately, an employe of a builder, of West Billerica, Mass., was standing upon a scaffold in the bern on Saturday, attempting to pry off a board with an iron crowbar when the scaffold gave way and he fell to the floor. He struck upon the head of the bar, which entered his body below the left hip and passed upward diagonally, coming out at the upper part of the chest between the sixth and seventh ribs, piercing the right lung. He is a muscular man and notwitt-standing the terrible pain, he wrenched the bar from the wound and waiked to the house unsided. It is thought be may servive the wound.

HACKED EACH OTHER WITH HATCHETS. -A duel to the death was fought on Friday near Village Springs, Air., between Zebe Posey and Albert Simmons, farmers. The meeting was the result of a difficulty between the two men which occurred eight months ago. The weapons used were sharp batchets with which the men backed one another until Simmons fell to the ground mortally hurt. Simmons was cut in a dezen places, while Posey got only two or three slight flesh wounds. Posey escaped.

Summer Goods at Miller's.

We have very superior articles in FLY FANS and at a very low price. You will certainly need one this summer, and before buying look at ours. No key needed to wind them up.

Also a very superior make of WATER COOLERS and REFRIGERATORS. We sall the "ALASKA" REFRIGERATORS, which used only 12 lbs of ice to its nearest competitor's 17 lbs at the New Orleans Exposition. This is a great point when you consider how scarce and high ice is this season.

It will pay you to see these goods, as we will thoroughly recommend them and guarantee satisfaction.

We are constantly receiving NEW GLASZ-WARE, the latest productions of the market, and you can find excellent substitutes for Cut-Glass in some of these patterns.

FRUIT JAKS and JELLIES are much cheaper than they were last season, and you will find the very lowest figures at our store. Have you seen our NEW JAM JAR? If not, do not "put up" any Jelly until you have seen it. It fills a long-felt want. Goods arriving every day.
